These images make perfect gifts for your loved ones, or they are great to add to your thank you cards.

You have nothing to lose! There is no obligation to purchase these photographs; all you need to do is show up and get photographed. Free proofs of all images will be e-mailed and mailed to you, so there is no need to make your purchasing decision on that day. Here are a few tips to ensure your photograph turns out the best:

- Wear a nice shirt/blouse. Even though the provided gown will cover most of your clothes, the top part of the shirt is noticeable. Men, wear a dress shirt and bring a tie.
