(Courses offered in the Rueckert-Hartman College for Healthcare Professions or Regis College are not eligible for this preferred tuition rate.) In order to prove eligibility for the Military Preferred Tuition Rate, you must fill out the Military Preferred Tuition Form (next page) AND fax, mail, e-mail, or deliver a copy of the active duty orders to:

Students are eligible to begin receiving the Military Preferred Tuition Rate once Regis University receives the required documentation specified above. Regis University's policy does not allow retroactive application of any preferred tuition rate to any course that has ended prior to the University receiving all of the required documentation. Both the Military Preferred Tuition Form and active duty orders must be resubmitted annually by June 1 in order to renew the discount without a lapse.

Please continue to check your RegisNET e-mail account. If there are any issues with your form and/or documentation, details will be sent to your RegisNET e-mail address. You can access your account by going to email.regis.edu and entering your RegisNET username and password.

Please contact Enrollment Services with any discount-related questions or issues at 303-458-4126 / 1-800-568-8932 or registrar@regis.edu.
