FINANCIAL AID AWARD REVISIONS

If you wish to change your intended enrollment, reduce your Federal Student loan amount for one or more semesters, and/or report additional financial assistance not included on your Award Letter, such as external scholarships or ETB, you must complete the Revisions form. After you have submitted the form, our staff will review and process your request. You will receive an e-mail within five business days notifying you that your revised Award Letter is available on WebAdvisor. Be sure to log into WebAdvisor at that time to review your awards and follow instructions as indicated.

Click the NEXT button to be taken to the Revisions form.
