STUDENT EMPLOYMENT FORM

Student Employment (also known as work-study) is a program that allows students to work on-campus (or off-campus if a student demonstrates financial need) to earn money toward educational expenses.

If you submit a FAFSA by April 15, you do not need to fill out this form.

If you did not file a FAFSA and would like to apply for Student Employment, please submit the Student Employment form online. After April 15, you may submit the form and your name will be placed on a waitlist.

This form does not apply to summer employment.
