

Abigail Wegert MSN, APRN, NP-C, CNE

Denver Colorado Area

Assistant Professor of Nursing

Experienced nursing professor backed by a solid foundation as both a nurse and a nurse practitioner. Strong reputation as an “emerging leader” despite only teaching BSN students for a short period of time. Well recognized for using learner-based education and evidence-based learning techniques to employ innovative teaching strategies that drive student engagement and student empowerment.

Education

CAPELLA UNIVERSITY GPA 4.0

Doctor of Philosophy, Nursing Education

Approved Dissertation Topic: The relationship between instructional immediacy and undergraduate nursing student burnout.

Anticipated Graduation 2025

(50 Out of 92 Credits Complete)

Teaching Experience

REGIS UNIVERSITY | Denver, Colorado

Jul 2022—Present

Assistant Professor of Nursing

Educate adult and traditional undergraduate nursing students at the BSN level. Duties include preparing lessons, teaching a variety of coursework, and coordinating simulation, lab, clinical, and class materials. Also responsible for providing clinical oversight to Medical-Surgical and Obstetrics students and collaborating with nurse leaders to improve the quality of Regis University nurses

COLORADO CHRISTIAN UNIVERSITY (CCU) | Lakewood, Colorado

Jul 2019—July 2022

Assistant Professor of Nursing

Educated adult and traditional undergraduate nursing students at the BSN level. Duties included preparing lessons, serving as an academic advisor to 20+ students, teaching Medical-Surgical coursework, and coordinating simulation, lab, clinical, and class materials. Also responsible for providing clinical oversight to Medical-Surgical students and collaborating with nurse leaders to improve the quality and preserve the future of the CCU nursing program.

Nursing Practice Experience

HEALTH ONE | Englewood & Lakewood, Colorado

Aug 2016— Jul 2019

Nurse Practitioner, Mountain Vista OBGYN

Utilized up-to-date, evidence-based practice while providing obstetric, gynecologic, and primary care to female patients between the ages of 13 and 83.

Postpartum RN, Swedish Medical Center

Cared for and provided education to new mothers and their families. Collaborated with physicians, midwives, and ancillary staff to determine and carry out best courses of treatment.

ST. LUKE'S HOSPITAL | Maumee, Ohio

Aug 2013—Jul 2016

Labor/Deliver/Recovery/Postpartum RN, Family Birthing Center

Cared for patients throughout labor and delivery on an LDRP unit. Also facilitated maternal post-delivery recovery and provided routine and emergency neonatal care.

Critical Care RN, Cardiac Stepdown Unit

Managed care for up to five patients at once on busy cardiac step-down unit. Duties included assessing, evaluating, and treating patients, communicating professionally with physicians, and coordinating care across multiple specialties.
